HARLEY STREET

SPECIALIST CHILDREN'S DENTISTRY

A Holistic Approach To Complete Dental Care

76 Harley Street, London W1G 7HH

ABOUT

At 76 Harley Street, we offer expert children's dental care led by Dr Mohsin Chaudhary, a specialist in paediatric dentistry. Located in the heart of London's prestigious medical district, our clinic provides comprehensive services for children, including specialist paediatric dentistry, dentofacial orthopaedics, and orthodontics. Dr Chaudhary and our dedicated team take a personalised approach to each child's needs, ensuring a calm, friendly, and supportive environment that helps young patients feel safe, understood, and well looked after.

WHY 76?

Expert Care – Dr. Mohsin Chaudhary, Specialist Paediatric Dentist

Sedation Options – Inhalation Sedation & General Anaesthetic

Holistic Approach – Treatments focusing on overall health

Multi-Disciplinary Team - Integrated care from our in-house multi-disciplinary team for comprehensive treatment planning

DR. MOHSIN

Mohsin, a distinguished Consultant & Specialist Paediatric Dentist is committed to promoting oral health & well-being in children. Mohsin is a Consultant & Senior Lecturer in Paediatric Dentistry at the Institute of Dentistry, Queen Mary University of London & Barts, & the London NHS Trust. Mohsin proudly leads all Paediatric Dental Services with Kent Community NHS Foundation Trust. Achieving his post-graduate training at Guys Hospital, Mohsin treats patients with complex dental needs using a holistic & comprehensive approach.

“My child left feeling excited about going back for his next visit”
